DESCRIPTION

Luxion triple switch panel with 2 sockets, made of safety glass, compatible with Luxion mechanisms. LUXION products stand out for their compact, elegant and minimalist design. They are practical, made from quality materials and built to last, bringing functionality and comfort to your home.

The panel combines the three touch positions of the switch and the two socket openings in a single frame.

- 3 touch switch positions
- 2 socket openings
- 4 mm thick safety glass
- The metal frame is also included in the package

Compatible only with LUXION mechanisms

Features

LUXION glass panel designed for a triple touch switch and 2 sockets, bringing all three touch points and both socket openings together in a single frame.
