–	LX-BG-S2-Z0

SPECIFICATIONS

Brand	LUXION
Category	Smart home › Security cameras
Connectivity	Wi-Fi
Product type	Indoor Wi-Fi surveillance camera
Image sensor	CMOS 1/3.2 inch, 2 MP
Resolution	2 MP, Full HD
Frame rate	15 FPS
Bitrate	500 Kbps / 300 Kbps
Video compression	H.264, dual stream
Lens	Standard 3.6 mm
Horizontal rotation	355°
Vertical rotation	70°
Night vision	Automatic infrared with light sensor, up to 10 m
Low-light sensitivity	0.02 lux
Audio	Two-way (built-in microphone and speaker), G.711A format
Functions	Motion detection with instant notifications and e-mail, automatic motion tracking, image mirroring / flipping, remote control via app
Storage	TF card up to 128 GB and cloud
Protocol	Wi-Fi IEEE 802.11 b/g/n
Network protocols	HTTP, HTTPS, TCP, IPv4, IPv6, UDP,

Power supply	DC 5 V 1 A
Power consumption	< 5 W
Operating temperature	-20 °C to 80 °C
Operating humidity	10% – 95%, non-condensing

DESCRIPTION

The LUXION S2-Z0 indoor surveillance camera is ideal as a baby monitor or, more generally, for the security of your home. It offers a clear Full HD picture, two-way audio communication and night vision.

It rotates automatically to follow movement and sends notifications directly to your mobile phone. It is easy to install, connects quickly via Wi-Fi and can be accessed at any time from the app.

A modern and effective solution for your peace of mind.

Features

All the essential functions for monitoring your space, day and night.

- Two-way audio: built-in microphone and speaker for real-time communication
- Motion detection: instant notifications when motion is detected
- Automatic rotation that follows movement (horizontal 355°, vertical 70°)
- Night vision: automatic infrared mode with light sensor, up to 10 metres
- Image rotation: mirroring and flipping supported
- Flexible storage: TF card up to 128 GB and cloud

App control

The camera can be accessed at any time from your mobile phone.

- Remote video control via the app
- Smart alarm: real-time notifications and email alerts

Installation

Easy installation and quick connection to the wireless network.

- Quick connection via Wi-Fi
- Power supply DC 5V 1A

Ideal for

Monitoring indoor residential spaces.

- Use as a baby monitor
- General home security
