Product type	3.2 m electric curtain track kit
Operation	Remote control, mobile app, curtain switch, voice control, scheduling
Operating voltage	100–240 V AC
Frequency	50/60 Hz
Rated current	0.3 A
Power	80 W
Maximum load	55 kg
Torque	2.5 Nm
Insulation class	E
Protocol	Wi-Fi (no hub)
App	Smart Life
Compatibility	iOS / Android
Track material	Metal
Track length	300 cm (+20 cm ends); wall length 322 cm
Profile dimensions	~3 × ~2.5 cm (width × height)
Motor dimensions	72 × 51 × 300 mm

Mounting	Ceiling bracket included; wall brackets (single / double) sold separately
Protection rating	IP41
Package contents	Electric motor, metal track, remote control, belt, fittings

DESCRIPTION

The Luxion smart curtain kit includes an electric motor, a 3-metre metal track, a remote control, a belt and fittings. It is controlled from your phone via the Smart Life app.

The curtain can be operated with the remote control, from the mobile app or with a switch, such as the Luxion curtain switch. No hub required!

- Voice control
- Operation scheduling
- Remote control

For mounting the track on the wall, the fixing brackets are sold separately:

- Single wall bracket
- Double wall bracket

When cutting the track, the belt length is calculated using the formula: 2 x track length + 24 cm.

Features

Complete smart kit with motor and metal track for curtains, with Wi-Fi connection and no need for a hub.

- 80W electric motor with 2.5Nm torque
- 300 cm metal track (+20 cm ends)
- Maximum load 55 kg
- IP41 protection rating

App control

Control from the remote control, the Smart Life app (iOS/Android) or from a curtain switch.

- Voice control
- Operation scheduling
- Remote control
- No hub required
