DIMENSION DRAWING

DESCRIPTION

The Luxion remote control is compatible with Luxion RF433 switches with wireless operation. With it you can control 3 switches, while one button is dedicated to the all-OFF function.

The remote control has 4 buttons:

- 3 buttons for controlling 3 switches, one for each light
- 1 all-off button, which switches off all 3 lights at the same time

Important: it works only in combination with Luxion switches that feature wireless remote control.

Features

Compact 4-button remote control (A, B, C and D) for LUXION switches.

- Wireless control of up to 3 switches, one button for each light
- All-off button to switch off all 3 lights
- Frequency 433.92 MHz (RF433), range up to 20 m
- Important: works only with LUXION switches featuring wireless remote control

Dimensions

- Dimensions: 94 x 41 x 14 mm
- Weight: 25 g
- 27A / 12V battery (not included)

Pairing instructions

- 1. Keep your finger on the switch for 5 seconds until you hear a sound.
- 2. Press the button (A, B or C) on the remote control until you hear a sound again. The remote control has been paired successfully.

Unpairing

Keep your finger on the switch for 10 seconds until you hear the sound twice.
