SPECIFICATIONS

Brand	LUXION
Standard	German (Schuko)
Category	Touch switches › Double touch switches
Product type	Double touch switch with dimmer, glass panel and aluminium frame
Function	Touch – ON/OFF and brightness adjustment (dimmer) per circuit
Number of buttons	2
Operating voltage	110–240 V AC
Frequency	50/60 Hz
Maximum load	300 W / channel, 700 W in total
Standby consumption	0.02 W
Suitable lamps	Dimmable LED >5 W (recommended), incandescent, halogen; not compatible with smart RGB lamps
LED indicator	Blue when on, faint blue when off; no sound on touch
Front material	Glass with aluminium frame
Base material	Fire-resistant PVC

Depth	35 mm in total (panel 9 mm + mechanism 26 mm)
Mechanism dimensions	Height 49 mm, depth 26 mm
Fixing screw spacing	60 mm
Installation	Flush-mounted, screw fixing
Protection rating	IP20
Operating temperature	-20 ~ +70 °C
Operating humidity	10% ~ 93% (non-condensing)
Lifespan	100,000 operations
Colours	white, black, grey, gold

DIMENSION DRAWING

DESCRIPTION

LUXION switches stand out for their compact, elegant and minimalist design. They are versatile, and the touch sensor is extremely precise, the same as that of a smartphone. The construction is durable and the switches do not discolour over time.

The double touch switch with dimmer features a glass panel and an aluminium frame and lets you switch on, switch off and adjust the brightness of the lighting on two separate circuits. With a simple touch of the button, the light fitting gradually changes its brightness.

- Two touch buttons: ON/OFF and brightness adjustment for lamp 1 and lamp 2
- Blue LED indicator when the light is on and faint blue when it is off, for easy location in the dark
- Silent operation with no sound when touched
- Lifespan of 100,000 operations

It is a practical product, made from quality materials and built to last, offering functionality and comfort in your home.

Compact, elegant and minimalist design

Enjoy the versatility of the new touch switches: the LUXION double touch switch with dimmer and aluminium frame.

the lighting in the room. With a simple touch of the button, the light fitting gradually changes its brightness.
