## DESCRIPTION

The LUXION modular track for 3 sockets is designed for flexible configuration according to your needs and is compatible only with LUXION sockets. It allows modular sockets to be fitted in any combination you wish and is a practical, elegant solution for homes, offices or commercial premises.

It is made of high-quality PC (polycarbonate) and aluminium, which ensure durability, a long service life and a modern appearance.

The sockets shown in the images are not included in the package. The product consists of the track only; the sockets are purchased separately.
