Dimensions in mm

DESCRIPTION

Luxion Schuko socket module, designed for mounting on the Luxion modular track. It gives you the freedom to configure the number and position of sockets to suit your own needs. Installation is quick, and modules can easily be added or moved.

The blue LED ring makes the socket easy to locate in low-light conditions, while the modern design fits perfectly in homes, offices and commercial premises. Made from quality materials, it ensures safe, long-lasting use.

The socket is compatible and works only with the Luxion modular track, which is sold separately.

Features

A Schuko socket that can be placed wherever you need it on the Luxion track.

- Free configuration of socket number and position
- Modules easily added or moved
- Blue LED ring for easy location in the dark
- Modern design for homes, offices and commercial premises

Construction / compatibility

Housing made of polycarbonate (PC) and aluminium.

- Works exclusively with the Luxion modular track
- Track sold separately
