USB output	5 V / 3.1 A max. in total; USB-C 20 W with fast charging
Earthing	Yes, with child protection
Protection	Overvoltage protection
Base material	Flame-retardant PVC, brass internal contacts
Front dimensions (W × H)	86 × 86 mm (with glass frame, not included)
Depth	42 mm (mechanism); 51 mm with glass frame

Fixing screw spacing	60 mm
Flush-mounted box	Double-depth flush-mounted box required (does not fit a standard one)
Mounting	Flush-mounted
Protection rating	IP44
Colours	black, gold, grey, white

DIMENSION DRAWING

DESCRIPTION

LUXION sockets stand out for their compact, elegant and minimalist design. They are practical to use, feature child protection, and their latest-generation technology helps save energy. They are robustly built and do not discolour over time. This is a practical product, made from quality materials and built to last, bringing usability and comfort to your home.

The mechanism combines a Schuko socket with built-in USB-A and USB-C charging ports, so you can power appliances and charge mobile phones and other electronic devices from the same point on the wall.

Caution! Does not fit a standard flush-mounted box. A double-depth flush-mounted box is required.
Caution! For correct operation, do not exceed the total load capacity of the socket.

Features

LUXION single socket mechanism combining a Schuko socket with USB-A and USB-C charging ports.

- Schuko socket with USB-A and USB-C (Type-C) ports
- 2 USB ports
- USB charging 5V/3.1A max. in total
