SPECIFICATIONS

Brand	LUXION
Standard	German (Schuko)
Category	Build your own › Mechanisms › Two-way / intermediate mechanisms
Product type	Single two-way touch switch mechanism
Function	Two-way / intermediate, up to 3 switches in the circuit; only with LUXION two-way switches
Number of buttons	1
Operating voltage	110–240 V AC
Frequency	50–60 Hz
Maximum load	800 W
LED indicator	Blue when the light is on, dim blue when it is off
Base material	Fire-resistant PVC
Front dimensions (W × H)	50 × 50 mm
Depth	5 mm + 26 mm
Mechanism dimensions	Side height 49 mm, depth 26 mm
Fixing screw spacing	60 mm
Package contents	Mechanism and adapter for LED lamps (glass panel and metal frame sold separately)
Compatibility	Only with LUXION glass frames and

DIMENSION DRAWING

Dimensions in mm

DESCRIPTION

The Luxion single two-way touch switch mechanism can be fitted on its own in a Luxion panel or together with other Luxion sockets and two-way switches in a Luxion glass switch frame.

Luxion two-way switches work only in combination with Luxion two-way switches. Compatible only with LUXION glass frames and panels.

Up to 3 switches (intermediate) can be connected in the circuit.

CAUTION! Some LED lamps may not work properly after the switches are installed (flickering, not switching on/off, etc.). In such cases, disconnect the power supply and install the adapter included in the package across the live and neutral of the light fitting.

Features

Single two-way touch switch mechanism for the LUXION glass frame and panel system.

- Two-way / intermediate operation, up to 3 switches in the circuit
- Works only with Luxion two-way switches
- Maximum load 800W
- Blue LED indicator: bright when the light is on, dim when it is off
- Made of fire-resistant PVC

Structure / components

The mechanism is fitted into a LUXION glass panel and metal frame, which are sold separately.

- Glass panel (not included)
- Metal frame (not included)

Dimensions

- Width: 50 mm
- Height: 50 mm
- Depth: 5 mm + 26 mm
- Side height: 49 mm
- Fixing screw spacing: 60 mm
