DESCRIPTION

The LUXION triple Schuko + TV + data socket stands out for its compact, elegant and minimalist design. It combines Schuko sockets, a TV socket and a data socket in a single Luxion glass frame.

Luxion sockets are versatile and feature child protection, while the latest-generation technology helps save energy. The construction is durable and the sockets do not discolour over time.

This is a practical product, made from quality materials and built to last, offering functionality and comfort in your home.

- 16A Schuko sockets with earthing and child protection
- Digital TV socket
- RJ45 Cat6 data socket (T568A/B)
- Glass frame 299 x 86 mm
