DIMENSION DRAWING

DESCRIPTION

LUXION sockets stand out for their compact, elegant and minimalist design. They are versatile and feature child protection, while the latest-generation technology helps save energy.

The construction is durable and the sockets do not discolour over time. This is a practical product, made from quality materials and built to last, offering functionality and comfort in your home.

The LUXION TV and data socket with glass frame combines a TV outlet (Ø9.5mm) and an RJ45 Cat6 data outlet in a single position.

Compact, elegant and minimalist design

Enjoy the versatility of the new Luxion products! The LUXION TV and data socket with glass frame gives any room a compact, elegant and minimalist look.

- Combined TV and data (RJ45) socket
- Glass frame
