DESCRIPTION

The LUXION garage door system relay offers scheduling and timer functions. Smart scenes and automations allow the system to carry out commands automatically.

You receive a notification on your mobile every time the garage door opens and closes.

- Remote control from the Smart Life app via Wi-Fi
- Voice control with Alexa
- Scheduling and timer

LUXION garage door system

A smart controller that lets you operate your garage door from your mobile or with your voice.

- Voice control
- Schedules
- On/off button
- Remote control

Remote control via the Smart Life app

Left the garage door open? You can close it from anywhere, at any time, from the Smart Life app on your mobile.

Voice control with Alexa

“I forgot to close the garage door.” “Alexa, please close the garage door.” “OK.”

Installation diagram

The Smart Garage Controller connects to the existing garage door motor via its output.

- Smart Garage Controller
- Wi-Fi: IEEE 802.11b/g/n
- Input: AC 100-240V 50/60Hz
- Output: NO (normally open contact)
- Garage door motor (not included)
