DESCRIPTION

LUXION sockets stand out for their compact, elegant and minimalist design. They are versatile in use and feature child protection, while the latest-generation technology helps save energy. The construction is durable and the sockets do not discolour over time.

This is a practical product, made from quality materials and built to last, offering functionality and comfort in your home.

The LUXION Wi-Fi smart Schuko socket with glass frame connects directly to your Wi-Fi router, with no hub required. From the Smart Life app you can switch the device plugged into the socket on or off from anywhere, while with the Amazon Alexa and Google Home voice assistants control becomes even easier: "Alexa, turn on the lamp." – "OK".

- Timer and operating schedules
- Group control with family sharing
- Scene creation
- Choice of state after a power cut: on, off or retain the previous state

For control via the app you need to install the Smart Life mobile app.
