LUXION S2-Q01 outdoor Wi-Fi camera, 2MP 1080P with infrared night vision

2MP Full HD Wi-Fi camera with IR night vision, 355° motorised rotation, automatic motion tracking and two-way audio.

CODES

Colour	Code
–	LX-BG-S2-Q01

SPECIFICATIONS

Brand	LUXION
Category	Smart home › Security cameras
Connectivity	Wi-Fi
Product type	2MP Wi-Fi surveillance camera
Function	Motorised rotation 355° horizontal / 120° vertical, automatic motion tracking, motion detection with notifications, two-way communication, image flip and mirroring
Operating voltage	DC 5 V 1 A
Power consumption	Below 5 W
Protocol	Wi-Fi IEEE 802.11 b/g/n; HTTP, HTTPS, TCP, IPv4/6, RTSP, UDP, etc.
Compatibility	Smart Life app
Sensor	CMOS 1/2.9 inch, RGB 1080P
Lens	Standard 3.6 mm
Video resolution	1080P (1920x1280) and 720P (1280x720)
Frame rate	1080P at 20 FPS, 720P at 20 FPS
Video bitrate	1080P 1.2–1.5 Mbps, 720P 512 Kbps
Audio format	G.711A
Microphone / speaker	Built-in
Night vision	Infrared, up to 10 metres

Storage	TF card up to 128 GB and cloud
Operating temperature	-10 °C to 55 °C
Operating humidity	10% – 80%, non-condensing

DESCRIPTION

The LUXION S2-Q01 Full HD surveillance camera delivers a clear picture day and night, thanks to its infrared night vision function. It rotates almost fully to cover the whole area and automatically tracks movement. It has a built-in microphone and speaker for real-time communication and connects easily to Wi-Fi.

You can store footage on a memory card or in the cloud, while motion detection notifications keep you informed of everything happening at home.

- Motorised rotation of 355° horizontally and 120° vertically
- Two-way communication: microphone and speaker to talk and listen in real time
- Motion detection with instant notifications
- Automatic tracking of the moving object
- Image flip and mirroring
- Remote video control via the Smart Life app
- Smart alarm with real-time email and notifications

Ideal for homes, offices and commercial premises.

Features

Full HD camera with night vision and smart surveillance functions.

- 1/2.9 inch CMOS sensor, RGB 1080P
- Infrared night vision up to 10 metres
- Low-light sensitivity 0.02 Lux
- Motorised rotation 355° horizontally, 120° vertically
- Automatic motion tracking
- Two-way audio with built-in microphone and speaker
- Image flip and mirroring

App control

Full remote control from your mobile phone via the Smart Life app.

- Remote video control
- Instant motion detection notifications
- Smart alarm with real-time email and notifications
- Storage on a TF card up to 128 GB or in the cloud

Ideal for

Surveillance of all types of premises.

- Homes
- Offices
- Commercial premises
