Dimensions in mm

DESCRIPTION

The LUXION single socket with glass frame consists of one Schuko socket and 2 charging ports, USB-A and USB-C. LUXION sockets stand out for their compact, elegant and minimalist design. They are practical, feature child protection, and their latest-generation technology helps save energy. The construction is durable and the sockets do not discolour over time.

This is a practical product, made from quality materials and built to last, offering functionality and comfort in your home.

Caution! It does not fit in a standard flush-mounting box. A double-depth flush-mounting box is required.
Caution! For correct operation, do not exceed the total load capacity of the socket.

Single Schuko socket with USB-A and USB-C

The LUXION single socket combines a Schuko socket with one USB-A port and one USB-C port, so you can power appliances and charge phones from the same point on the wall.
