DESCRIPTION

The LUXION BG-WG002 garage door automation relay features scheduling and timer functions. Thanks to smart scenes and automations, the relay can carry out commands automatically.

You receive a notification on your phone every time the garage door opens or closes.

- Open / close the garage door remotely via the Smart Life app
- Voice control with Alexa
- Timer and scheduling
- Smart scenes and automations

Features

LUXION smart garage door control system.

- Voice control
- Schedules
- On/off button
- Remote control
- Phone notification every time the door opens and closes

Remote control via app

Left the garage door open? You can close it from anywhere, at any time, via the Smart Life app.

Voice control with Alexa

“I forgot to close the garage door.” “Alexa, close the garage door, please.” “OK.”

Installation / wiring diagram

The relay connects to the garage door motor and is powered via a USB cable.

- Smart Garage Controller
- Wi-Fi: IEEE 802.11b/g/n
